

Emirates Obs & Gyne Congress

17th - 19th October 2019
Conrad Hotel Dubai, UAE

Emirates Obstetrics & Gynecology Society is proud to organize the **Emirates Obs & Gyne Congress (EOGC 2019)** to be held in Conrad Hotel, Dubai, United Arab Emirates from 17th - 19th October 2019.

This congress is organized together in collaboration with The Federation of Obstetric and Gynecological Societies (FOGSI), American College of Obstetricians and Gynecologists (ACOG) and South Asian Federation of Obstetrics and Gynaecology (SAFOG).

The congress will discuss in depth the trending topics in Obstetrics & Gynecology and crucial challenges faced by the obstetricians and gynecologists locally and in the region including Medico Legal & ethics, women health issues, clinical obstetrics, reproductive medicine and more as well as demonstrating live practice surgery by wellknown surgeons in the field.

IMPORTANT DATES

Congress Dates:
17 - 19 Oct, 2019

Early Bird Registration
Until 1 Sept, 2019

Late Registration:
1 Sept - 14 Oct, 2019

HIGHLIGHTS

Live Laparoscopic Cases

Live surgery is a key part of the congress, all participants will have a great opportunity to see well known surgeons like Prof. Arnaud Wattiez from UAE and Prof. Nezhat Camran from USA work in a live setting showcasing the laparoscopic.

Ethics & Medico Legal Aspects In Obs & Gyne

Gynaecology and obstetrics have huge importance in the medical field since it deals with maternal and child health, the congress will create awareness about medicolegal and ethical considerations among the practitioners of obstetrics and gynecology.

Antibiotic & Maternal Sepsis

Sepsis is a major cause of maternal death worldwide, few is known on the incidence of severe maternal morbidity related to sepsis, EOGC 2019 will focus on new findings concerning epidemiology, etiology and outcome of maternal sepsis
